[Shri Santosh Bagrodia]

dence is built up. In my opinion, these small administrative doses are really not going to help.

Madam, finally, I would like to make the most important point. Why is it restricted to NRIs? Why cannot any foreigner deposit money here? Everybody should be given the same privilege. What is the special thing about NRI bonds or deposits? That is what I fail to understand. In my opinion, Madam, we should allow anybody who is willing to deposit. Even tourists who come to India, if they want to deposit money, should be able to deposit. And even Indians sitting in this House or outside, if they want to deposit dollars, they should get the same benefit. Why should deposits come from NRIs only? If the money is available here, just take it. If you want dollars, just have them. Thank you.
